

StFX Biosafety Committee

BIOLOGICAL TOXIN

BSF-4

Principal Investigator: _____

Project Title: _____

Project Number: _____

1. Toxin: _____

Genus, species from which derived: _____

2. Source: _____

3. Material Safety Data Sheet available (*Please attach*) Yes No *If no, explain:*

4. Toxicity (LD50 - specify animal model): _____

Toxic by (*check all that apply*):

inhalation skin absorption injection ingestion

other: _____

5. Is the toxin used in animals? Yes No *If yes, attach StFX Animal Use Protocol*

6. Disposal/inactivation method:

7. References. *Attach any references that may support this application.*
