Of This Award \_\_\_\_\_

This scholarship, which provides full tuition expenses for the first two years, is tenable for full time study in any faculty at St. Francis Xavier University. It is established to encourage and enable enrolment of high school students from Ottawa including Gloucester, Nepean and Kanata.

There is no minimum academic requirement but preference will be given to students who rank in the top half of their graduating class. A minimum first year university average of 70% is required to receive the second year of the Award.

A personal interview with the Scholarship Committee is required to determine the final selection. The Committee places emphasis on the student's overall accomplishments and leadership potential.

In addition to the University application requirements, the following is required and must be received at the University by April 1<sup>st</sup>:

1. Your resume which includes a full description of extra curricular activities, employment experience and community service.
2. An essay not exceeding 1-1/2 pages describing how receipt of this Award would affect your life.
3. Anything you wish to submit demonstrating evidence of financial need if applicable.
4. Typewritten letters of recommendation from two high school teachers and two outside references.
