

# JOIN THE PROGRAM

The **X-Connects Mentorship Program** pairs students with mentors to discuss graduate school, career development, and more. The goal of the program is to promote professional and scholarly success, help in career exploration, and build important relationships between members of the Xaverian family.

## HOW DOES IT WORK?

To apply to join, please click [HERE](#) and complete the registration questions. Each student will be matched with one dedicated mentor based on strength of overlap in responses to registration questions. You will be notified via email when you are paired with a mentor or mentee.

## MENTEES (CURRENT STFX STUDENTS)
