

EMERGENCY GUIDELINES

EVACUATE

- Exit immediately.
- **Do not use elevators.** Use stairwells.
- Take keys, wallet, cell phone, medications and wear seasonal clothing, if safe to do so, but do not delay evacuation.
- Help persons with disabilities.
- Shut down hazardous operations.
- Close doors and windows.
- Go to Emergency Assembly Point.
- Do not re-enter the building until directed by **Safety & Security Services.**

SHELTER IN PLACE

- Stay inside. If outside, get inside.
- Go to an interior room away from windows and exterior doors.
- For hazardous material release, find an above ground room. Close vents, windows and doors.
- For severe weather, go to lowest level possible.
- Stay inside until you are advised it is safe to leave by **Safety & Security Services.**

LOCKDOWN

- **Seek Shelter** in the nearest room.
- **Secure the Room:** Lock/barricade doors.
- **Silence** cell phones, turn off lights, remain quiet.
- **Stay** where you are. Conceal yourself/take cover.

HAZARDOUS MATERIALS

- Call **Safety & Security Services.**
- Shut down operations and isolate the area if it is safe to do so.

Call 911 if:

- Risk of fire or explosion or an ambulance is required.
- Exceeds capacity, knowledge or training of personnel.
- Release is high in volume, volatility, toxicity.
- Immediate danger to health and safety of persons.

Alert people in immediate area.

Evacuate if safety is a concern.

MEDICAL EMERGENCY

- Check surrounding area for danger.
- **Call 911.**
- Then call Safety & Security Services on a separate phone, if possible.
- Do not move injured person unless there is imminent danger.
- Do not leave the person.
- If you are trained, administer First Aid if it is safe to do so and person consents.

ACTIVE ASSAILANT

RUN: Evacuate if you think it is safe to do so.

HIDE: If you cannot run, Lockdown.

- **Seek Shelter** in the nearest room.
- **Secure the Room:** Lock/barricade doors.
- **Silence** cell phones, turn off lights, and remain quiet.
- **Stay** where you are. Conceal yourself/take cover.

FIGHT: As a last resort, take action.

- Improvise weapons.
- Fight for your life.

FIRE

Remove yourself and others from area.

Activate the alarm. **Call 911.**

Confine the fire. Close doors and windows.

Evacuate: Use nearest safe exit. Go to **Emergency Assembly Point.**

- **Do not use the elevators.**
- **Do not re-enter the building until directed by Safety & Security Services.**

FLOOD / WATER LEAK

- Call **Safety & Security Services.**
- Do not walk through flood water. It could be electrically charged or contaminated.
- Do not use elevators.
- Evacuate if any possibility of danger.

If it is safe to do so:

- Shut off electrical devices.
- Move hazardous and vulnerable materials to elevated area.
