What is your undergraduate university degree?

Main focus of undergraduate degree:

Interests, talents, hobbies that may be of assistance at a cooperating school:

Schools attended as a student:

Immediate family: If a family member teaches or attends school in a location where you may be placed for Field Experience, please indicate the relationship, school and the grade level where they work.

Transportation: Do you have a vehicle?

Yes

No

Grade Level preference: Grades Primary to 3

Grades 4-6

Possible school preferences: (Please note that the Field Coordinator must do initial contact with the schools and teachers regarding placement.)

Other considerations: We have limited placements in the Antigonish area. First priority for placement in the Antigonish area is given to students who have family reasons, secondly to students who have already done placements outside the Antigonish area and thirdly based on work, volunteer or athletic commitments. Please indicate if you have a reason for placement in the Antigonish area.
