

# Sharing Slides with Breakout Rooms

## Summary

- Start breakout groups
- Go to “Share Content” and select “Share files”
- Click on 3 dots (...) at end of file to be shared
- Click on “Share with groups”
- “Share with all groups” or select specific groups

## Instructions

Breakout Groups must be running in order to share files with groups. This article assumes breakout groups have commenced.

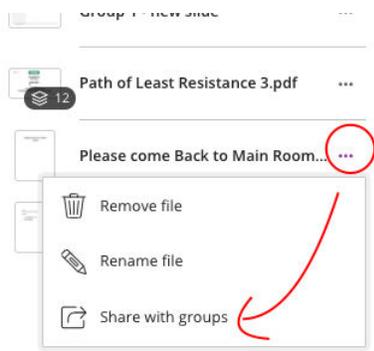

From your list of files click on the 3 dots (...) at the end of the name of the file that is to be used. A small window pops up. Select “Share with groups”.

A new window appears. Select “Share with all groups” or select specific groups.

Once you select the group(s), click on “Share Now”.

In the files list, under the file shared, a small note now reads “Shared with several groups”.

Participants in the group(s) will now see the slide being displayed in the breakout room (see image below).
