

THINGS TO LOOK FOR

- ✓ Are you able to identify a face 25 metres away?
- ✓ Is the lighting even?
- ✓ Does the lighting create shadows?
- ✓ Is the lighting obscured by trees, bushes, contour of land, pillars, buildings, or other?
- ✓ How well does the lighting illuminate pedestrian walkways, sidewalks, footpaths?
- ✓ How well does the lighting illuminate the building's entrances and exits?
- ✓ How well does the lighting illuminate the streets and roadways to this building?
- ✓ Are parking lots well lit?
- ✓ Overall impression of lighting: no lights very poor poor satisfactory good very good
- ✓
