Hello and Congratulations to the StFX Graduating Class of 2020.

We would like to provide an update on this year’s grad list process as well as an update on YOUR convocation.

As you are all well aware, we’ve had some delays due to the transition to online classes and implementing a pass/fail grading option for students. These changes have impacted our end-of-term processing timeline and, because of this, there will also be a delay in confirming graduates and conferring your degrees. While the grad list was, before the COVID-19 reality, scheduled to be posted today, this will not be the case.

The Faculty will hold their special meeting to present and confirm graduates on May 25th. The list of graduates will be posted May 25th, and your degree will be conferred on May 28th. I recommend that you celebrate your accomplishments on May 28 or later.

The Registrar’s Office will mail out your parchment, and there is one important step you MUST do: you must log into mesAMIS and update your mailing address by May 20th. After this date, the parchments are sent to the address we have on file and we don’t want to send your parchment to the wrong address. When you receive your parchment, we hope you will share photos and reactions with us on social media using the hashtag #XGrads2020. More details on this will follow.

We know that it has been a real challenge for the Graduating Class of 2020. But we are also confident that you are both strong and resilient and well-equipped to face every challenge that you face. We will have a Xaverian Farewell. We will have a Parent’s Night at the Inn. And you will walk across the stage.

On the weekend of May 7-9, 2021 we will all celebrate together. And we will have our Grad Gala!

StFX will release more information in the weeks and months to come. We will have our closure and it will be special. We can’t wait to see you all.

Keep checking the StFX website, and our Senior Class Facebook page (https://www.facebook.com/groups/530200807514486/) for up-to-date information.

To see us deliver the great news click Here. We look forward to seeing you.

Hail and Health!
