

Dear Incoming and Returning Students,

As I stated in previous communications, the decision to welcome students to campus this fall will be made in mid-June. We are expecting to be in a position to communicate our decision on the afternoon of Friday, June 19th.

I also want to reiterate that the health and safety of our students, faculty and staff remains our priority. Over the last few months we have been working extremely hard with representatives from Nova Scotia's Public Health Authority, the Town and County of Antigonish, our student representatives, and many others to ensure that the plan we develop meets, if not exceeds, safety thresholds in order for us to confidently welcome students back to campus in September.

I thank you for your patience.

Kevin
