McKENNA CENTRE for LEADERSHIP
The McKenna Centre for Leadership is building a new website—and we need striking images. Can you help? We would like to give StFX students the opportunity to showcase their creativity, so we are introducing an image competition.

The theme: **How do you see student leadership at StFX?**

Each student (including incoming students and 2020 graduates) can submit up to three images. Each entry we select for our website will earn you $250 (per image up to a maximum of $750 per student) and artist credit.

Leadership is a notoriously broad term. What does it mean to you, and how can we define it specifically here at StFX? You should also consider ways to represent the McKenna Centre’s focus on non-traditional, inclusive forms of leadership that are aimed at social justice and social change. Ask yourself: how can we define and communicate this kind of leadership through images?

Check your StFX email and the McKenna Centre’s Instagram feed for more details!
