2. The minutes of June 12<sup>th</sup>, 2018 were approved.

3. Capital Projects

The public change room renovations at the Oland Centre are complete and the stands will be completed in the next few weeks. The therapy space will be completed this fall. Mulroney Hall landscaping work will begin soon. Nicholson Tower renovations are on track and the exterior work will begin next week. There will be a Town Hall to discuss and receive feedback regarding the function of the proposed Health Science building.

4. Scholarship Committee Update

An ad hoc committee was formed to review and assess StFX scholarship processes and impact.

5. MacLean's Questionnaire Update

MacLean's rankings are published every year. PC reviewed the data that StFX provides to MacLean's.

6. Enrolment and Residence Update

Enrolment numbers including international students are trending comparable to last year. Residence numbers are up for students who are direct from high schools.

7. Coady and Extension Update

A Roadmap was developed last February to assess Coady and Extension programming.

Respectfully submitted,

L. Lawrence
