

ST. FRANCIS XAVIER
UNIVERSITY

Plan for Research Phase-in

For use during Covid-19 restrictions still in place

1. Names of Researchers included in this Plan (Faculty, Students, Staff).
*Please indicate lead researcher responsible for Plan implementation and oversight.

Faculty:	<input type="text"/>
Staff:	<input type="text"/>
Students:	<input type="text"/>
Other:	<input type="text"/>

2. Brief description of types of research activities to be undertaken.

3. Required access to StFX campus facilities (list locations) and specify access to common or shared facilities/resources such as animal care facilities, greenhouse, liquid nitrogen, cold rooms and to library services/resources (especially print resources).

4. Rationale for phase-in of research at StFX (alignment with priority areas & guiding principles)

5. Plans to carry out research activities in accordance with public health requirements and guidelines in Nova Scotia. Please indicate if any required PPE or cleaning supplies (as appropriate) are already secured, or if you have specific requirements.
