Sample questions that may help frame our discussion:

- Think about the journey that the Strategic Plan has taken you.
- What has worked? What has not?
- Have you and your unit connected with the Strategic Plan?
- How have you used the Strategic Plan in the development of your unit?
- Has the Strategic Plan helped to prioritize the work of the faculty?
- Has the framework of the Strategic Plan worked for your unit?
- Has the Mission of the University advanced under the plan?
- Does the University Vision presented in the Plan continue to resonate?
