XAVERIAN COMMITMENT

We, the graduating members of the StFX community,
continue to commit ourselves to the pursuit of excellence
in our academic, social and spiritual lives.

We shall exemplify the Xaverian spirit of honesty
in our studies, respect in our treatment of one another,
and generosity in our contribution to the community.
As Xaverians, preparing ourselves for a life of thought and service,
we shall strive to embody the words of St. Paul,
and dedicate ourselves to the pursuit of
“whatsoever things are true, noble, good, and worthy of praise.”

HAIL AND HEALTH

Hail and health to Alma Mater;
On for StFX's name;
Leading, trailing, vim unfailing
Play the game.

Life's the goal that gleams before us;
Faith and honour free;
Swells the old Xaverian chorus;
Sing for victory
Rah, Rah, Rah....

We of old St. Francis Xavier
Caring hearts and true;
Years may creep, but still we'll keep
Loyal to the white and blue.
