📅 Friday, October 2nd – Sunday, October 4th

Dear Members of the Class of '66,

Mark your calendars and join us for our 60 year reunion October 2-4 2026.

It seems only recently that we gathered for our wonderful 50th Reunion. It is time to come back to reunite with classmates and friends, wander our beloved campus and be impressed by its growth, and meet current students.

We have worked with the Alumni office to arrange a **private Class of '66 reception** before the Golden Graduate dinner on **Friday evening**. Graduates from our class can purchase either a Platinum Bracelet, which would include this dinner, or if buying individual tickets, select Golden Grad Dinner.

This is a great opportunity to donate to our class fund in support of the **Tramble Centre for Accessible Learning** named for our intrepid Class Life President, the late Donnie Tramble.

It helps hundreds of students who are in need of various supports as they journey through their education at X.
