POINT AFTER CLUB**

MISSION

To engage alumni, family and friends in a life-long relationship of support for StFX University and X-Men Football.

OBJECTIVE

To provide meaningful and sustainable financial support to StFX University and the X-Men Football program. Our primary objective is to narrow the annual operating budget gap that exists vis-à-vis other successful mid-size, student-athlete focused U SPORTS football programs, ensuring that our student-athletes, coaches and staff are equipped to maximize their potential on the field, in the classroom and in their communities.

CHAIR'S MESSAGE

Greetings to all alumni, family, and friends of X-Men Football. In 2023, your donations to the POINT AFTER CLUB exceeded expectations as we raised \$156k in support of the University and X-Men Football. For that we are grateful. More importantly, your generosity continues to produce results where it matters most – on the field, in the classroom and in the community.

Congratulations to the players, Coach Waterman – who was once again recognized as the AUS Coach of the Year – and his staff, on another fine campaign. For the third consecutive season your X-Men went undefeated in AUS conference play on their way to capturing the Loney Bowl, and yet another national semi-final appearance. More importantly, this group continues to distinguish themselves in the classroom, as evidenced by there being 40 Academic Champions Club members, including 12 who received Academic All-Canadian honours. Additionally, individual performance awards were garnered by 11 AUS All-Stars, including two

major conference award winners, and one 1st Team and two 2nd Team U SPORTS All-Canadians. Through your generous support, StFX continues to provide one of the best student-athlete experiences in all of Canada.

X-Men Football and the POINT AFTER CLUB continue to give back to the StFX community. In 2023, we gifted \$24,300 to the University to purchase equipment for the newly renovated student and community fitness studio in the Amelia Saputo Centre. Recognizing our obligation

to support the University beyond athletics, we will continue to allocate 15% of funds raised to support campus-wide restoration and heritage projects.

In just four short years, you have managed to build one of the most meaningful and sustainable alumni-led support mechanisms in all of U SPORTS. Looking ahead, we remain focussed on building our donor base and strengthening our impact. In closing, we extend a heartfelt thank you to all our existing donors. We would also like to thank the University – Administration, Advancement and Athletics – for their continued support of this initiative. For those that have yet to engage, we invite you to join with us in support of StFX University and X-Men Football.

Hail & Health,

John Caplice '87

Chair, on behalf of the Advisory Council

COACH'S MESSAGE

I am very proud to report that we once again went undefeated in our conference this past season on our way to another Loney Bowl victory.

To have gone three seasons in a row now without losing a conference game has been a very rewarding and humbling experience.

Our goal, however, remains the same. We will not rest until we hoist the Vanier Cup as national champions.

I am very thankful to the POINT AFTER CLUB for its role in our historic run of victories, and I am positive that the PAC will be a key factor when it comes to us achieving our future goals. Not only have we been finding success on the field, but our student-athletes

have enjoyed an unparalleled experience these past few years thanks to the PAC funds.

As the head coach, I have a front row seat to the advantages that the PAC provides our program. The difference these funds have made in recruiting and coaching development have been outstanding. Also, our ability to increase Athletic Financial Award offerings has allowed us to recruit top talent from

across the country and beyond.

The same phrase comes to mind each time I talk about the POINT AFTER CLUB. In simple terms, it has been a game changer.

On behalf of our entire football program, I want to say thank you to all our generous donors. Your continued support is making a tangible difference in the lives of everyone associated with X-MEN Football. Thank you.

Hail & Health,

Gary Waterman '92

Head Coach

MESSAGE FROM ADVANCEMENT

On behalf of StFX Advancement, I extend our sincerest gratitude for your unwavering support of the POINT AFTER CLUB. Your generosity has had a profound impact, not only on the X-Men Football program, but on StFX University and the Antigonish community. As the Development Officer for StFX Athletics, two of the leading aspects that bring me joy are my passion for sports and the sense of contributing to student-athlete success. Thank you all for bringing out the best of these things in the POINT AFTER CLUB. Your commitment has been instrumental in supplying Coach Waterman and the X-Men Football Team with the tools they need to continue to be a leading team in the AUS. The positive transformations and achievements we've experienced would not have been possible without your support.

Some highlights of 2023 include:

1. Your donations have been a game-changer for our football program, providing essential resources, equipment, and facilities that have elevated the X-Men to a level of competitiveness and skill that puts StFX on the National stage time and time again.
2. Through your philanthropy, you've empowered our student-athletes to thrive not only on the field, but in the classroom as well. Your support has enhanced the

scholarships and academic resources that contribute to the success of these future leaders.

3. Your contributions have translated into tangible improvements in our recreation facilities. Because of you, the POINT AFTER CLUB was able to donate funds for new fitness equipment and now every StFX student is benefitting from the newly opened StFX fitness centre.

THANK YOU for being the driving force behind the success of the X-Men Football program and St. Francis Xavier University. Your support continues to shape the future of our student-athletes and your beloved alma mater.

Hail & Health,

Michelle White

Athletics Fund Development Officer, StFX

MESSAGE FROM ATHLETICS

As Director of Athletics & Recreation, it is with immense gratitude and appreciation that I reach out to all of you on behalf of StFX Athletics.

Your unwavering support and commitment to the success of our football program has not only made a significant impact on this past season, but has also laid the foundation for continued growth and excellence of X-Men Football.

Your generosity enables us to provide our student-athletes with the resources and opportunities they need to thrive as Leaders & Champions on and off the field.

I have the good fortune to teach our student-athletes in our StFX Student-Athlete Leadership Academy. X-Men Football players are among the very best leaders in the academy and it is not surprising given the great culture that Coach Gary Waterman and his team have worked so hard to establish.

At StFX, we believe 'culture wins' and our leaders are the creators and caretakers of team culture.

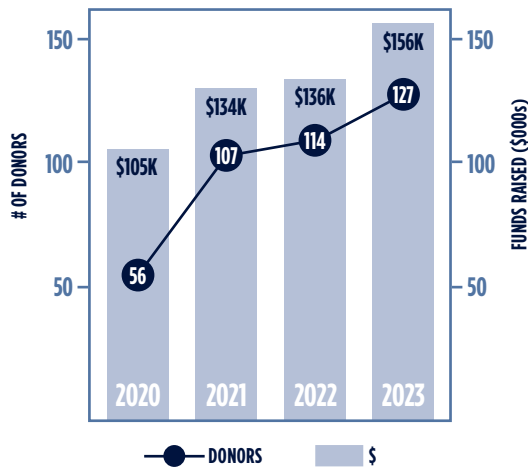

As such, it is no coincidence that our X-Men Football program won their 6th Loney Bowl in the past eight years, and 17th conference championship overall.

Hail & Health,

Leo MacPherson '89

PLAYER TESTIMONIALS

Thank you! My teammates and I are fortunate to play for a football program with the amazing support of the POINT AFTER CLUB. The difference that the PAC has made for us as student-athletes is felt every day. Being able to walk into a state-of-the-art locker room that we can call our own, as well as having the academic support that we need to excel in the classroom, are privileges we get as X-MEN because of the generosity of those who have contributed to our program. We had very big goals this year, and while we did not accomplish them all, we still have so much to be proud of from our 2023 season, and we could feel the alumni support throughout the whole year. Being able to celebrate the induction of the 1983 Hall of Fame Football team with a big win against Acadia was great. Seeing the passion that team had for our program inspired us throughout the rest of the year and will inspire many of us to give back following their lead. We can't thank you enough for all the tremendous support we have received this year, and we can't wait to see what the 2024 X-MEN will be able to accomplish!

To each and every member of the POINT AFTER CLUB, I would like to extend our deepest gratitude from myself and the rest of the X-MEN football team. We truly could not do this without your generous support and love for X-MEN football. The success that comes both on the field, and in the classroom, would not be possible without the generous support we have received for tutoring, new equipment, and our cherished locker room. To have access to all these resources is something we truly appreciate and don't take for granted. You provide us with the opportunity each and every day to get better, both as a student and as an athlete, while allowing us to live out our dreams of playing university football. We as a team are forever grateful for your continued support of X-MEN football, allowing us to wear the famed white and blue and chase our ultimate goal.

ALUMNI TESTIMONIALS

WHY WE GIVE

We give to the POINT AFTER CLUB because it is a way to show appreciation for the memories, lessons, and camaraderie I experienced as part of the team. Being a part of X-Men Football was an invaluable experience for me, as I was able to foster lifelong friendships and learn important lessons such as teamwork, perseverance, and consistency. The program helped shape me into the person I am today and instilled in me a deep sense of pride for StFX and the surrounding community.

Supporting the X-Men Football program will help sustain the tradition of excellence now and well into the future. By giving back, we ensure that current and future student-athletes have the opportunity to thrive both in the classroom and on the playing field.

We believe our support will help contribute to the team's success by instilling pride and fostering a strong sense of community among StFX alumni, fans, and players. It is a small way of staying connected to the program and paying it forward to future student-athletes.

Hail & Health,

Daniel Lumsden '00 '01 and Lorelle Muller Lumsden

WHY WE SERVE

To serve is a noble yet humbling and selfless pursuit. Our experiences at StFX and the values that the University embodies have instilled a lifelong sense of gratitude, commitment and purpose in our lives.

Playing for the Blue and White provided the opportunity to grow physically, mentally and spiritually. We played for each other with passion, discipline, commitment and fun to achieve the singular goal of representing our University.

We serve because we:

- Believe in the cause - that the X-Men football program creates unique opportunities for all stakeholders.
- Make a difference - in the community and at the University, as well as at the provincial and national levels.
- Pay it forward - to those that assisted us on our journey to who we are today.

Service truly is a universal gift - we encourage all of you to actively participate and engage.

Quaecumque Sunt Vera.
(whatsoever things are true)
