StFX University, Antigonish NS

Friday October 13th - Sunday October 15th

To the Class of 2013,

It is our reunion year, and we invite you to join your classmates for anniversary celebrations at Homecoming 2023, October 13th–15th. So much has happened since we graduated in 2013, and last reunited in 2018. Just like that, we are only months away from our highly anticipated 10-year Homecoming!

Join us to celebrate this momentous occasion by returning home to StFX. The Golden X Inn is undergoing a major renovation, the 104 highway is twinned to Antigonish, and X is ready to welcome us back. Homecoming will be filled with all the usual fun, a chance to connect with former classmates, revisit our beautiful campus, and take in some X athletics!

This year we are encouraging alumni to purchase the Bronze Bracelet (\$105). This will give you access to Friday and Saturday evening events, and a classic Morrison Hall brunch on Sunday morning.

If you have any questions for us ahead of the big weekend, don't hesitate to reach out to the Alumni Office or each of us on social media!

We look forward to seeing you at Homecoming ... until then, Hail and Health!

Nick Head-Petersen, Rachel Mitchell, Matt LeMoine and Pat Carruthers
