

ST. FRANCIS XAVIER UNIVERSITY

June 13, 2023

Dear all,

Welcome to year two. We look forward to working with you as you complete your second year of the BEd program. This year will bring continued work to advance the professionalism thread. As well, applications will be made in the fall semester to the NS Department of Education for teaching certificates and annual Job Fair will be held early in 2023.

I will be sharing a folder with you momentarily labelled "Year 1 On-Campus BEd Information". In it, you will find the following in the subfolder labeled "Welcome Year 2 On-Campus BEd Students". This subfolder contains:

1. Academic Year Calendar
2. Timetable
3. Calendar of Events
4. Fees

Next week, I will be putting instructions in another subfolder labeled "Registration Year 2 On-Campus Students". Students will be registering themselves for all BEd courses. Registration for Year 2 students begins on **Tuesday, July 4th**. Please try to complete online registration as soon as possible after it opens as certain courses may have limited enrollment, so the earlier you register the better. (I will be contacting some students who have exceptions to the general registration instructions.) This subfolder contains:

1. Registration Instructions (Please note, at the bottom of the registration instruction document, there is contact information for assistance with registration.)
2. Descriptions of Electives
3. Course Registration Number (CRN) sheet

On **Wednesday, September 6th, at 9:00 am**, all Year 2 students will make their way to the designated room (TBA) for their first presentation. The full schedule will be posted closer to this date. Please note that attendance is mandatory. A Welcome Session will be held at 11:30 am for all students and faculty in a location to be determined. To assist in the registration process on this day, please bring a copy of the courses in which you are registered from Banner/mes Amis, as well as your Banner/mes Amis ID and PIN. Please be prepared to pay the BEd student fee (to be determined by the Student Executive).

Classes begin at **8:30 am** on **Monday, September 11th**.

University classes are scheduled from Monday to Thursday from September 11-November, and January 8-March 7. Please refer to the Calendar of Events for important dates, compulsory events, and field experience. All student attendance concerns must be brought to the Chair of the BEd program.

Wishing you a happy and fulfilling second year in teacher education!

Sincerely,

Rachel Power
