Introduction

The background of the slide is a blurred photograph of a library interior, showing wooden bookshelves and warm lighting. Overlaid on this are several large, semi-transparent green geometric shapes, including triangles and polygons, which create a modern, abstract design. The text is centered on a white, trapezoidal area that also serves as a background for the text.

University of Saskatchewan Indigenous Studies Portal (iPortal)

The screenshot shows the homepage of the University of Saskatchewan's Indigenous Studies Portal (iPortal). The header includes the University of Saskatchewan logo and the text "University Library" on the left, and "Login / Register" on the right. The main title "iPortal" is prominently displayed in a stylized font, with the subtitle "indigenous studies portal research tool" below it. To the right of the title are three small images: a group of people in traditional Indigenous attire, a portrait of a man, and a historical scene with a tent. Below the title is a navigation menu with links: Home, About, New Links, Favourites, UofS Authors, Maps, Tutorials, Suggest a Site, and Contact. A search bar is located below the menu, with a "Limit to: Any resource type" dropdown and a "Limit to open access (resources available to all)" checkbox. The search bar includes a "Search" button with a magnifying glass icon and an "Advanced Search" button with a right-pointing arrow. The main content area features a large, stylized illustration of a beaver's tail and paws, with the words "Law", "History", "Economic Development", and "Indigenous Knowledge" written in a decorative font across the bottom.
