

Building a Relationship/Connection with Students: Potential Questions to Ask

****This can be done via Moodle quiz, Microsoft Forms or in-person on paper****

- What are your pronouns?
- What name would you like me to use for you in class?
- Are you working? If so, is it part-time or full-time?
- Is there anything that could get in the way of your learning in this class?
- How many credits are you enrolled in this semester?
- Using a scale of 1-10, where 1 = not at all comfortable and 10 = completely comfortable, how comfortable are you with speaking in class?
- How do you learn best? (Visually, reading, writing, etc)
- How can I create a safe space for you?
- How can I create a positive learning experience for you and your classmates?
- Do you get easily distracted? If so, can I help you with this?
- Is there anything else that you would like me to know about you?
